My Learning Log

name

Task

You are starting at Woodkirk High Specialist Science School in September 2010 and you will be one of three hundred students in Year 7.

It would be a good idea to tell us something about yourself!

You could tell us about:

- Your hobbies
- Your family
- Your favourite lessons
- What sports you enjoy
- Your pets
- Favourite people
- or anything you think we would like to know about you

You must work in this booklet, but you can use a computer and stick pictures or text into the booklet.

You can add pictures or drawings.

But somewhere in the booklet you must write something in your own handwriting.

You can add a photograph or a drawing to the front cover.

You also need to add your name to the front cover.

You are limited to 6 pages!

You must bring this booklet with you on Induction Day on Thursday, 1st July 2010. This is when you visit Woodkirk for the day and take part in lots of activities.

Think about presentation, do your very best!

Good luck!
